Sangeeta Music I Arman Khan Production
Music Video Editor

Arman Khan is a renowned music producer and singer of Bangladesh and elder son of the legend Late Alam Khan. In Alam Khan's memory, we were assigned to make music and lyrical video of his composed songs. In this project, under Arman Khan's observation I worked on 3 different albums, composed by Alam Khan and Andrew Kishore as the vocalist. These 3 albums are titled as: Bhalo Achi, Bhalobese Aporadhi and Chupi Chupi. Preferred Software: Adobe Premiere Pro, Adobe After Effect, DaVinci Resolve.

Pizza.us I 83 Maddhya Basabo, Khilgaon
Social Media Marketing & Designer

Pizza.us is a pizza shop based in Khilgaon. This company makes most of its sales through online marketing and promotions. Which makes marketing on social platforms is a crucial part of this business. I was lucky to have the opportunity to do it all, from creating posters, advertising, monitoring marketing etc. Preferred Software: Adobe Photoshop, Adobe Illustrator.

2021 - 2023
Self-Motivated
Web Design & Development

Starting from the basic of HTML, CSS, Bootstraps, I learned all the way through Python and Django framework. Few varsity projects and one client work using PHP and Laravel, was a major milestone in this work field. Preferred Code Editor: Visual Studio Code, Jupyter Notebook. Apart from that, I also had the opportunity to work on other platforms i.e. Cisco Packet Tracer, Logisim, AutoCAD etc. for other projects.
